DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The prior art made of record did not disclose or render obvious a catheter comprising the limitations recited in claims 1, 11, and 15. The recited catheter includes a reinforcing sleeve which is fixed relative to an outer tube of the catheter which is a feature that is not disclosed in the prior art. The recited catheter provides a catheter with additional distal support and avoids higher strain in the more proximal portions of the catheter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THEODORE J. STIGELL whose telephone number is (571)272-8759. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nicholas Lucchesi can be reached on 571-272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
